(2) Follow the video guide below to change the virtual background of your Microsoft Teams Profile after download the background image <https://www.youtube.com/watch?v=NjPaplyutHI&feature=youtu.be>

Teams 011

Why “Open share tray” is empty (MacOS)?

It is noted security setting of MacOS update will cause this issue and user may use the following steps to fix it.

- (1) Go into System Preferences
- (2) Go into Security and Privacy
- (3) Click on Screen Recording

There should be a check mark beside Microsoft Teams.

Using Zoom
